

# ST GEORGE CROWS AFC

## Player Sponsorship 2008

The opportunity to help support the St George Crows AFC through becoming a player sponsor has now become available for 2008.

Your sponsorship will benefit the individual player through the payment of their registration fees. A range of benefits is also available to you as part of our player sponsorship package.

Ideally the Club would like to have all players sponsored. This can be by player's families, friends, businesses, other sporting organisations and supporters.

If you don't have a particular player to nominate and would like to sponsor someone, the Club would be pleased to select a player for you.

The 2008 Player Sponsorship package consists of the following:

- Individual players 2008 registration fees
- Players photo and sponsor on the Players Sponsors board in the St George AFC clubrooms
- A photo of the sponsored player for your place of business
- Website and newsletter advertising
- Advertising to the St George Data Base
- 2 tickets to a St George Crows social function

The 2008 Player Sponsorship packages are valued \$450 per player.
